Dear Parents

School Closure

As explained in my previous letters, today will sadly be the final day for most children at our school until further notice.

In order to help our country fight the virus but keep functioning, we will be offering provision for only our most vulnerable children and the children of key workers.

Only families who requested and have been offered a place should attend school on Monday.

Free School Meals

If your child is eligible for free school meals, Enfield Local Authority will be providing packed lunches for collection from school, but full details have yet to be confirmed. We will contact you on Monday regarding collection arrangements.

Reports will be posted home early next week. QR Codes, MyMaths passwords and Times Tables Rockstars passwords will also be in the envelope.

I would like to thank all our staff who have worked so hard in these difficult circumstances.

I would also like to send my thanks to you the parents for your understanding and co-operation. Your children are a credit to you and our school and we will miss them. I wish you and your families well.

Yours sincerely
