Outdoor Learning

Dear Parents

On Monday this week the staff received training on taking learning outdoors and using our extensive school grounds. The benefits of learning outdoors are well known, for enjoyment, well-being and improved outcomes. We now have a fantastic outdoor classroom and have begun to develop the field to provide learning opportunities by rewilding and planting trees.

To enable more learning to take place outside, we would like all pupils to have a pair of wellington boots (wellies) in school that they can change into. **Please provide a pair of boots in a labelled carrier bag for your child to wear for outdoor lessons.** We are planning to begin outdoor lessons the week beginning 6 December.

We would also like to have a selection of spare wellies for pupils to borrow and would be grateful if you could donate any Wellie boots in good condition that your child has grown out of.

Kind regards

Amy Fry
