Respect

FIND OUT MORE

Ofsted in June 2025 judged us to be a ‘good school’.

“The school nurtures pupils to be happy and to succeed academically. Pupils learn to engage in class, to listen, and to value and respect others.”

Our values are at the heart of everything we do.

Our **values** are: **Respect** **Responsibility**
Resilience

Our pupils receive a Carterhatch Junior School passport when they join our school.

Carterhatch Junior School

We believe in an inclusive and creative curriculum which develops a life-long love of learning and celebrates equality and diversity. Our curriculum aims to give our pupils the skills and knowledge to live safe, healthy and fulfilling lives.

Every child has a Chromebook to use in school.

“The school has high academic expectations for all pupils. Pupils outcomes in mathematics and writing are very strong. In reading, the school ensures that pupils....achieve well.” Ofsted

Lo: I can write an introduction.

Did you know that plants are living things? Plants help people and animals find food. Sunflower seeds can be black, white or striped. Plants can be different shapes and sizes. If the plant dies the ~~and~~ the seeds fall out and grow again. If you want to read more about plants continue reading. ✓

First the seed starts to germinate.

Next it grows roots and a shoot. The plant needs some sunlight and nutrients to grow.

Then the plant shoots a flower.

Finally the sunflower dies in the winter and the seeds fall out and grow again.

Why don't you plant your own seed to see a life cycle of a plant. ✓

End of Year 3

Handwriting – capitals, full stops, correctly formed letters on the line

All my life, I have been wanting to win the Seawig competition, wandering around for looking for stuff that catches the sun's light. People are getting hurt. When we don't win, it just makes people feel bad about themselves. How will we stop that? That's so disgraceful! Don't give it to me. Give it to someone else. Give it to Dipsey. I've been to " for a long time. But we never ever won but it doesn't deserve it. You see the J-Thurkstone is a cheat. F

Free school meals

All primary school children receive a free school meal in state-funded schools in London.

Primary school children will automatically get their free school meal whether their parent or carer gets a qualifying benefit or not, but it's very important that families on benefits still complete an application form for free school meals. **If you qualify, the free school meal entitlement will be protected until they reach the end of their primary school education, even if your circumstances change.**

Please download the form from the [local authority website](#) or call at the school office to collect an application form. Please apply if you think you may be entitled, even if your child does not want to have school dinners.

School lunches

Our school meal provider is 'Aspens' and menus are published on our school [website](#).

Payments for school trips, school events

We are a cashless school and therefore payments for trips should be made through the Arbor app.

Applications for a Year 3 place can be made online at www.eadmissions.org.uk from now until **15 January 2026**

Transition in Summer Term

A Google form will go out to parents/carers to complete for September start, once your place has been confirmed.

- Contact information (it is essential that we have **at least two emergency contacts for your child**)
- Consent for photos and film – Consent for use of parent/carer details (for more information, visit our website, About Us – General Data Protection)

Year 2 classes will come to visit their new classroom and meet their new Year 3 teachers. Junior School teachers will also visit pupils in their Year 2 classes and talk to their teachers.

Thank you
