

THE NEWSLETTER FOR
CARTERHATCH JUNIOR SCHOOL PUPILS

THE HATCH

June 2020
Edition 4

FROM HELEN
HEADTEACHER,
EDITOR

Hello everyone

Welcome to Edition 4.

We look forward to
welcoming back our
Year 6 pupils on
Wednesday of this
week.

We miss you all and
look forward to the
time when you are all
back in school.

Now that we are
moving to the next
phase when more
children are in school,
The Hatch will be
issued monthly.

WE WELCOME BACK YEAR 6 PUPILS

Year 6 will be returning to school on Wednesday 10 June. A letter has been sent to the parents of Year 6 pupils giving details of the plans put in place to keep us all safe. Please ask your parent to email the school office if you have not received the Year 6 information. The transition pack will be issued to Year 6 pupils soon.

CALMA - POWER POSE

Stand up tall with your legs slightly apart and your arms stretched out to the sides. Stretch your arms as wide as you can and open your chest. Take in a deep breath. Now place your hands on your hips and say, "I am strong, I am strong, I am strong." Hold this power pose and breathe in and out three times. Say to yourself, "I am powerful, I am powerful."

RIGHTS RESPECTING SCHOOLS

Congratulations Carterhatch Juniors, we have achieved an award from UNICEF. We are now a BRONZE RIGHTS COMMITTED SCHOOL! Well done to all of you that have been completing the challenges set on Seesaw. This week's challenge is based on Garden Wildlife Week.

If you would like to set a particular challenge or cover a particular topic, please leave a note in the RRSA folder on Seesaw.

Find out more by clicking these links:

QUICK QUIZ

1. Elsa of Arendelle is the lead character in which 2013 Disney film?
2. What is the name of the coloured part of the human eye that controls the amount of light passing through the pupil?
3. The Tracy Beaker books are written by which author?
4. In computing, what does HDMI mean?

QUICK QUIZ ANSWERS FROM EDITION 3

1. Boudicca was Queen of the British Celtic Iceni Tribe
2. This is the Australian flag.

3. In computing, RAM stands for Random Access Memory
4. $\frac{1}{4}$ as a decimal is 0.25.

ENFIELD SCHOOLS MATHS CHALLENGE

Enfield Schools and Early Years' Service are running a series of weekly maths challenges for children to complete at home.

You can complete these challenges individually, or with your family. Many of these creative challenges involve solving problems and creating objects.

Enfield Schools website would also love to see your completed challenges. If you would like to share your work, please send in a picture with the application form, available on the website. They will be creating a gallery of the completed maths challenges and will send a link of that page to all participants.

Follow [this link](#) to start the challenges.

Alternatively, you could upload your Maths challenge work to SeeSaw as all of the staff and teachers would love to see how you are embracing Maths from home during this time.

DID YOU KNOW ...

Kangaroos can't walk backwards.

Your heart is about the same size as your fist.

READING RECOMMENDATIONS

THE BOOK OF HOPES

[Click here](#) to read a completely free, extraordinary collection of short stories and poems with very inspiring words and pictures to comfort and entertain you during lockdown. The collection is dedicated to the doctors, nurses, carers, porters, cleaners and everyone working in hospitals. Happy reading!

JK ROWLING - THE ICKABOD

Joanne K Rowling announced that she will publish her new book, The Ickabod, free, online. There will be [34 daily chapters](#) online before it is published in November. She is also inviting you to help illustrate The Ickabod for her. [Click here](#) for details of how to enter.

FUNNY HAHA!

Q. Which computer is the best at singing?

A: Adelle

2. What did the cheese say when it looked in the mirror?

A: Haloumi!

3. What was the first animal in space?

A: The cow that jumped over the moon

4. Why can't Elsa have a balloon?

A: Because she'll let it go

THE SOUND COLLECTOR

By Roger McGough

A stranger called this morning
Dressed all in black and grey
Put everything into a bag
And carried them away

The whistling of the kettle
The turning of the lock
The purring of the kitten
The ticking of the clock

The popping of the toaster
The crunching of the flakes
When you spread the marmalade
The scraping noise it makes

The hissing of the frying pan
The ticking of the grill
The bubbling of the bathtub
As it starts to fill

The drumming of the raindrops
On the window pane
When you do the washing-up
The gurgle of the drain

The crying of the baby
The squeaking of the chair
The swishing of the curtain
The creaking of the stair

A stranger called this morning
He didn't leave his name
Left us only silence
Life will never be the same

WHAT HAS BEEN HAPPENING IN SCHOOL?

The children who have been coming into school have been making origami frogs. It involved a lot of resilience and patience. Here are a few photos of the origami frogs and the fantastic creatures created from clay which included a catowl, a chickzilla, an octocat, an insect bird, a shark and a polar bear.

[Click this link](#) for instructions to make your own jumping frog.

CO-OPERATION THOUGHTS

"Talent wins games, but
teamwork and intelligence
wins championships."
Michael Jordan

Alone we can do so little;
together we can do so
much."
Helen Keller

Teamwork divides the task
and multiplies the success."
Anon

Respecting Schools article

Kayra for the ice lolly video

Year 3 for the poems

Miles and his group for the
clay and origami article

Alex for the Maths
Challenge

Sharon for the jokes and
'Did you know ...' facts

SUCCESSSES OF THE MONTH YEAR 5

Here's how to make ice lollies. Thank you Kayra for sharing this with us. [Click here](#) to watch her video.

YEAR 3 - ACROSTIC POEMS

Our Year 3 pupils have been writing poems as part of their home learning. Mehmet and Hasan wrote poems to describe Carterhatch and all the amazing things school provides them with. We hope you enjoy reading them as much as we did. Helen even got a mention!

My Carterhatch
Acrostic Poem by Aral in Year 3

Can't wait to see my friends back at school
And I wish I could go to a nice swimming pool
Really sad that we are now all stuck at home
Together when this is over, it would be nice to go Rome
Every day I have good times with my family in lockdown
Reading a book today about a crazy coloured clown
Having MyMaths and SeeSaw keeps my brain working
And playing sports in the garden keeps my heart beating
Thankfully I eat healthy foods and fruits all day
Catching the sun in the garden with fun and play
Hopefully this won't happen again - no way!

We must all keep positive, smile and be brave
When this is all over, we will have stayed safe!
