Dear parents and carers

Events in school

We have just received updated advice from Enfield Public Health about holding school events inside the school rather than outside in the playground. As there are a number of class showcases happening this term we would ask you to:

Take a lateral flow test 24 hours before the event (free from pharmacies)

If you test positive you will need to self-isolate and get a PCR test

Wear a face mask when you enter the school

Use the hand sanitiser at the school office counter before you enter the hall

We will ensure that the hall is well-ventilated.

These precautions will help us to keep everyone safe during school events. We do feel it is important to continue to organise events when we can celebrate our pupils' learning and achievements.

Yours sincerely

H. McGovern
